Whether your business is large or small, whether you own or manage a hotel, restaurant or bar, or whether you are in a retail, professional or service business, you depend on tourism. Business Owners Organized to Save Tourism (BOOST) has been formed to support, promote and maximize tourism on behalf of our businesses, our employees, our neighbors and our community.

- Promote & encourage tourism of all kinds by law abiding citizens, including our longstanding motorcycle rallies;
- Work to ensure that local government does not engage in selective tourism or needless restrictions on area businesses;
- Encourage local governments to enforce current & existing laws rather than adding new & unnecessary laws to the books;
- Provide collective legal representation for the business community against unfair, illegal or oppressive government actions;
- Support elected officials & candidates who understand & support businesses & oppose those who do not.
